By Appointment.

TUCK'S POST CARD

CARTE POSTALE. POSTKARTE.

The Dove-Holes, Dovedale. At the end of the lovely glen of Dovedale is a curious limestone cliff containing three monstrous caverns, big enough to have given shelter to the Minotaur. Local superstition explains these caves as the dens of dragons of old, that were as ill to encounter as the Medusa, as their ugliness killed whoever ventured to look upon them.

June 17-08
